Amendment No. 06

**National Institute of Standards and Technology
State and Local Implementation Grant Program
Special Award Conditions**

24. Statewide Communications Interoperability Plan Requirement:

Notwithstanding Section II.B of the [SLIGP Federal Funding Opportunity](#), the recipient is no longer required to describe how they intend to satisfy each of SLIGP program priorities, including milestones that demonstrate their progress, as a component of a comprehensive plan that is part of their existing Statewide Communications Interoperability Plan (SCIP), or a plan complementary to and similar in concept to their SCIP.

The recipient, however, must still prepare a comprehensive plan as part of their existing Statewide Communications Interoperability Plan (SCIP), or a plan complementary to and similar in concept to their SCIP, describing the public safety needs that they expect FirstNet to address in its design of the nationwide public safety broadband network.
